

## Logamax plus GB172

### Chaudière murale gaz à condensation de 24 KW,

Disponible en exécution chauffage seul ou avec une production d'eau chaude intégré avec boost sanitaire jusqu'à 30 KW. Echangeur de chaleur moderne et robuste en fonte d'aluminium pour un rendement élevé. Faible consommation électrique grâce à la pompe haut rendement intégrée (classe énergétique A)

#### Avantages:

- Très économe avec un rendement nominal jusqu'à 109% Hi / 98,2% Hs
- Très robuste et de fabrication durable
- Pompe haut rendement (classe énergétique A) intégrée pour une consommation électrique minimale
- Simple à monter
- Compatible avec les raccords de la plupart des modèles précédents
- Composants parfaitement intégrés entre-eux
- Entretien aisé grâce à la bonne accessibilité de chaque composant
- Silencieuse, 36 dB (A) en fonctionnement indépendant de l'air ambiant (ventouse)
- Dimensions compactes
- Tous les appareils peuvent également fonctionner avec une cheminée collective (surpression)

#### Technique:

- Fonctionnement modulant en fonction des besoins de chaleur
- Echangeur de chaleur robuste en fonte d'aluminium (difficile à encrasser grâce à sa

conception)

- Plage de modulation de 21 à 100%
- Pas de débit minimum exigé
- Pompe haut rendement intégrée (classe énergétique A)
- Consommation électrique minimale en stand-by (moins de 5W)
- Régulation de chaudière digitale intégrée Logamatic BC25 avec plusieurs fonction pour une parfaite collaboration avec l'unité de commande Logamatic RC35
- Système de régulation EMS avec service de diagnostic intégré
- Puissance disponible : 24 KW ; exécution combi 24 KW avec fonction boost eau chaude sanitaire

## **Logamax plus GB162 Chaudière murale gaz à condensation**

**Plage de puissance de 2,7 jusqu'à 45 KW. Echangeur de chaleur moderne ALU plus pour une haute efficacité énergétique, économie d'électricité grâce à l'utilisation d'une pompe à haut rendement (classe A)**
